3. Open PTO Positions and vote on current candidates (5 Minutes)
Lauren reported that we have filled 3 PTO positions. Still need a president, and a VP of fundraising- sounds big, but it is not a huge job.
Jen Waters- VP Communications, Johanna Salanslang-Treasurer, Mellinda MacKaben VP of Events
A vote was taken and all three positions were approved unanimously.
4. Staff Appreciation Week - (5 Minutes)
Lauren thanked all the parents that stepped up to volunteer. Gift cards to all the teachers, thanks to the donations.
5. Tiger Fund Update – Sara Bender (2 Minutes)

168 total donors, we have about 50K and this time last year we had 90K
6. Treasurer’s report –Toni Ignoffo (5 Minutes)
7. Discussion of Draft Budget for ’21-’22 school year - Lauren & Toni (10 min)

6 and 7 are tied together, so minutes will reflect iten 6 and 7 together. Toni reported on the budget.
Board approved the checks unanimously.
180K budget, have only spent about 37K which is 20 percent of the budget.

Toni has 66K in the Tiger Fund, versus Sara's 50K, we think that it is the 66K due to paypal monies coming in that Sara does not see.

Next year we are in a good financial position, we have raised about 95K, which is great considering the pandemic.

We have 143K left in our budget, however there could be checks coming in to reimburse the teachers.

About 128K after we pay the teachers back, plus the 92K that will roll over to next year. We did not spend a lot of money this year, so we will operate at normal levels next year. Question about the black top, turns out that the district is going to pay for the black top. Yay!

Lauren reported that next fall we will do PE, Art and some type of music or drama.

8. Principal's report – Mike Taylor (10 Minutes)

MT followed up with his report.

- Plans to return to full day are approved by the district, teachers are on board. Will look similar to the way it does now, just a longer day. Will only happen if we go to yellow on May 4.
- Not sure if we are going to yellow tomorrow, there might be some numbers that will not allow it, which will make the plan be pushed back.
- Next year, we are planning for a school year, still have kids in masks, doors open, but will look more normal.
- New position at Coleman, student site council and district MTSSIC, this position will take the intervention work that Mr. Mike does and creates a program out of it. Staff is super excited about it, and so is MT. This will be a full time position, which is great.
- Teacher appreciation is awesome, flowers, treats, and homemade goodies. He is so thankful for the generosity.
- Don't forget to vote.
- Garden day on May 15, please come and help.
- Still no answer on Ms. Sonnets job. District and HR are still working on it.
- Thanked everyone for parking and walking kids in.

9. Coleman Spring Food Festival May 20 – Melinda MacKaben (5 Minutes)

- Sara and Melinda are putting together a Food Festival on May 20. Families will buy a sheet of coupons for \$50 at different restaurants on 4th Street. Joe Kelly's steel pan band is playing, table set up for Coleman gear, raffle, and other fun stuff. If anyone has business connections on 4th street, or anything donated would be great.
